- ECON 2105 Principles of Macroeconomics should be taken in Core IMPACTS or as a free elective.
- Thirty-three (33) credit hours of general electives. Students should select six (6) credit hours of MSLD core courses for the General Electives area (if course pre-requisites are met). You need at least 1 course (3 credit hours) with a MGMT prefix, 1 course (3 credit hours) with a MKTG prefix, and at least 1 course (3 credit hours) with an ACCT or FINA prefix.

In addition, twelve (12) credit hours must be business courses with an ACCT, BLAW, BUSA, ECON, FINA, MGMT, MKTG, SCML prefix at the 3000 level or higher. The remaining twelve (12) credit hours are open electives (they could be business or non-business courses). Open electives may be at a lower level than 3000. Courses with the following prefixes will not be counted in this category: AVIA, CSU, PARA, TECH. Only one internship course can be taken as an elective (this is in addition to the internship taken to satisfy the Required Management Internship Course).
