

RETENTION OF RECORDS

If an applicant does not complete enrollment for the semester in which admission is sought, the application must be renewed and the School of Graduate Studies may request submission of such additional credentials and information as will be required. Incomplete application files are retained for a maximum of one year. A student who earns credit in a master's-level program and later becomes inactive may be required to reestablish his or her file. The Office of the Registrar will maintain a transcript of graduate credit earned at Clayton State University indefinitely.
