

# FINANCE (FINA)

---

## **FINA 5100. Managerial Finance (3)**

This course will apply tools, techniques and theories of finance to actual business and investment decisions with consideration to ethical issues. Students will apply tools and techniques to analyze a company's financial position relative to the industry, apply time value of money concepts to business cash flows, evaluate the acceptability of a short-term and long-term financial decision, and understand the relationship between capital structure, risk, and the cost of capital. A variety of pedagogical vehicles will be used including problem solving, case studies, lectures, and projects.
