

ACADEMIC CATALOG AND STUDENT HANDBOOK

Clayton State University is a senior unit of the University System of Georgia.

Provisions of this Publication

The Clayton State University Academic Catalog and Student Handbook is designed to provide information about the University's policies, degree programs, course offerings, services, faculty, and facilities. Statements set forth in this publication are for informational purposes only and should not be construed as the basis of a contract between a student and this institution.

While the provisions of the Academic Catalog portion of this publication will ordinarily be applied as stated, Clayton State University reserves the right to change any provision listed - including but not limited to academic requirements for graduation - without actual notice to individual students. While every effort will be made to keep students advised about all changes, it is especially important that each student note that it is his or her responsibility to remain apprised of current graduation requirements for particular degree and certificate programs.
